4.1.1.3. During the advertising competition, the Client performs actions aimed at attracting Clients to the Organizer's Platform.

4.2. Terms of the promotional competition

During the advertising competition, participants perform actions aimed at attracting Clients to the Organizer's Platform.

Clients attracted by Participants of the advertising competition (hereinafter referred to as the Attracted Client) must top up their account on the Platform during the advertising competition. The amount of the account top-up by the Attracted Client is defined as the "deposit amount". The amount of funds withdrawn from the Attracted Client's account on the Platform is defined as the "withdrawal amount".

For the purposes of determining the winners of the advertising competition, the Organizer calculates the difference between the deposit amount and the withdrawal amount for each Attracted Client (hereinafter referred to as the "in out" indicator). The value of the "in out" indicator is subject to calculation for each Attracted Client. The result (sum of points) of a specific Participant is determined as the total value of the "in out" indicators for all Attracted Clients attracted by a specific Participant.

Participants (3 participants) who have the highest result (sum of points) at the end of the advertising competition are recognized as the Winners of the advertising competition.

The Client must comply with these Terms, use the rights granted to him to participate in the Advertising Contest in good faith and reasonably based on the objectives of the Advertising Contest and not abuse these Terms and the right to participate in the Advertising Contest.
