Trademark and Brand Usage Policy

This policy is designed to answer the most common questions regarding use of Strifor's trademarks, to provide our community with clear guidance, and to enable you to make certain uses of Strifor's trademarks and other intellectual property.

What are Strifor Trademarks and protected intellectual property?

The Strifor's trademarks are all trademarks owned and/or used by Strifor group¹, including but not limited to:

our "Strifor Logo" Design trademark²

This list may be updated as other trademarks (or Logos) are created and/or registered.

2. Any written text (including, but not limited to advertising articles, review and other articles) posted on websites administered by the Strifor group³.
3. Any banners and images (including but not limited to advertising banners and images) posted on websites administered by the Strifor group⁴.

How can I use the Marks?

For the lawful (legal) use of the above objects of intellectual property (including, but not limited to Strifor Logo" Design trademark, advertising articles, review and other articles, etc.), posted on websites administered by the Strifor group), you should send a written request to the email address help@strifor.ltd and/or contact the Strifor group through other official channels indicated on websites administered by the Strifor group⁵.

You may use Strifor's objects of intellectual property only after explicit permission obtained from Strifor group (in each separate case of Strifor intellectual property use) . In case of violation of the above procedure for approval on the use of Strifor's objects of intellectual property, you will be liable for violation of intellectual property rights of Strifor group in accordance with applicable law.
